NO. 152-FOOT SHEAR

PEXTO foot squaring shears are the industry's most accurate. They are easy to operate and offer precise shearing, long life and dependability. Shatterproof transparent finger guards are among their safety features. All are provided with precise gauging and hold-downs for cutting accuracy.

- Maximum Rated Capacity: 16 gauge mild steel
- Built to machine tool standards
- Triple-action shearing

No. 152 shears offer triple-action shearing, which includes relief on both edges of both the fixed and moving blades. It eliminates blade-to-blade friction, provides "bite" to eliminate sheet movement under shearing stress and produces double penetration in the cutting action. This contributes to easier operation. The No. 152 will handle a 52" sheet.
